Quote + timestamp + source link

Approved Findings

Liability

Driver distraction before intersection entry

"I looked down to check the navigation, and when I looked up the light was already red."

Why it matters: Supports review of attention, traffic-control sequence, and liability position.

Timestamp 12:44

Speaker: Insured

Confidence: High

Audio jump link: included

Prior condition

Neck symptoms pre-date the loss

"My neck had been bothering me since the gym injury last spring, before this crash happened."

Why it matters: Relevant to causation, damages, and medical chronology review.

Timestamp 28:09

Speaker: Claimant

Confidence: High

Audio jump link: included

Follow-up

Potential unidentified witness

"There was another person who saw the whole thing from the parking lot entrance."

Why it matters: Creates a concrete next step for witness identification.

Timestamp 34:51

Speaker: Claimant

Confidence: Medium

Audio jump link: included
